Dear Parents/Carers,

I would like to communicate to you some notices and some further school arrangements for the start of the next academic year.

Firstly, I would like to thank you all for your support this year. It has personally been a difficult one at times for all of us. Also, a reminder that our new Headteacher Mrs Julie Plant will be starting in September, and I am sure you will join us in wishing her well in her new role and in continuing the success of Mossfield School.

Change to Classroom Location

We need to inform you of a few changes to the location of our Year 1 and Year 2 classrooms from September 2024.

When we return in September Year 1C will now be located in the classroom between the Nursery and Reception classrooms. Our Year 2 classrooms will now be where our current Year 1 classrooms are located.

Parking

We have had numerous reports of cars parking and driving dangerously outside school. It is important to remember to respect our neighbours and also be very careful at drop off / pick up times when children are crossing the road. Please remember to park responsibly and be aware of pedestrians.

Scooters and bikes

Due to the ongoing building work at school, we are unable to access our bike shed. We would therefore like to request that children do not bring any bikes or scooters to school at the moment, as we are unable to store them safely. We apologise for the inconvenience.

10p Book Sale

Our 10p Book Sale held on Tuesday 4th July was a great success. We actually sold over 200 books! The sale has helped school raise funds to be used towards new books for school. We would like to thank parents/carers for their donations and hope that everybody enjoyed this event. Happy reading!

Uniform

As you will be aware, school uniform can now be purchased from Whittakers Schoolwear in Swinton (123-125 Chorley Road, Swinton, M27 4AA).

To order online, please visit www.whittakersschoolwear.co.uk and enter Mossfield into the search bar. You can also access this link via the Mossfield Primary School website on the Uniform page.

School Communication

A reminder that all school communication is now sent via email and Sims Parent App. You can also check our school website which has all letters sent to parent/carers and information on upcoming events. Please ensure the school office has your up to date information including primary email address and mobile number.

SIMS Parent App

A reminder to all parents/carers that we use Sims Parent App in school for a number of different reasons:

- Data Collection for your child such as emergency contact information, dietary requirements, address, telephone numbers. Please note you can update all this information via the app and school will be notified.
- Attendance/punctuality
- Pupil Assessment Data
- [Booking After School Clubs](#)
- Communication from school such as letters and reminders

If you do not have access to sims Parent App, please contact the school office and we can send you instructions and login details.

MMR vaccine available in pharmacies

Please see below a message from Public Health England.

Pharmacies across Greater Manchester are offering the measles, mumps and rubella (MMR) vaccine to make it quicker and easier for people who have yet to be vaccinated to catch up.

Anyone aged 16 and over who has missed their MMR vaccinations can walk into the participating pharmacies below to get their MMR vaccination from a highly-trained pharmacist from April 8, 2024.

Children aged five and over who are otherwise unable to get the MMR vaccination can also use the service. No appointment is needed, but there may be a wait for the pharmacist to become available.
