4th November 2024

Dear Parents/Carers,

We are delighted to inform you that our Year 3 pupils will be having a visit in school from the Stone-iron Age Workshop on **Tuesday 26th November 2024**.

There will be so much for the children to see and learn in this workshop. There will be a demonstration and talk about clothing through prehistory, and the children will have a hands-on experience where they will try carding, spinning and weaving. Children will also have the chance to handle a variety of raw and naturally dyed materials used for the making of clothes.

There will be the opportunity for children to try a range of everyday activities, including using saddle and rotary querns for making flour, making butter, using bow and pump drills, and making mini table top shelters. They may also have time to make a cordage bracelet and wattle a miniature wall.

The children will also have the opportunity to experience life as a real cave person using Virtual Reality Headsets. During this session they will get to virtually visit various sites and artefacts of prehistory.

For this exciting workshop we are asking for a contribution of **£4.00 per child**, this cost is attributed to the costs associated with the workshop. **Please logon to your ParentPay account to give consent and make payment, you do not need to return the slip below if you do this.** If you require login details for

ParentPay please contact the school office. If you would rather pay in cash, please send the below slip in to school with your child in a clearly marked envelope.

Yours sincerely,

Mrs Pennington & Mrs Mundy
Year 3 Teachers

Child's Name.....

I enclose £4.00 cash for the Stone-iron Age Workshop

Signed..... Parent / Carer
