Dear Parents / Carers,

## **The new SIMS Parent app – easy access to important school information**

We have a convenient new way to share information with you about your child's life at Mossfield Primary School. From this week, you will be able to access our new SIMS 'Parent App' and associated website.

You can access the system from a smartphone, tablet or PC – anytime, anywhere. In our new SIMS Parent app, you will find-

- Important school messages.
- Our school calendar – school term and holiday dates.
- Important information about your child's attendance record.
- Your child's latest assessment information.
- Notifications to remind you about important information and key dates.
- Access to your child's data collection information (pupil information, contact details, medical details, cultural information, dietary information) and the ability to update these details, so that we always have the most up-to-date information in case of emergency
- Full details of your child's homework, including when it is due in. (Coming soon)
- Information and bookings for our After School Clubs. (Coming soon)

If you have more than one child at school, you will have access to information for all your children, from the same App. The information that you receive through the App will help you to stay up-to-date with your child's school life as well as support your child's development and progress.
