

# Mossfield Primary School Knowledge Organiser

Year 2 — **Making Music and Creating Pictures.** Digital music is made using a computer or other device. Digital music allows the computer to copy the sound made by instruments and combine them together to make a piece of music.

## Key Learning

To make music digitally.

To explore, edit and combine sounds.

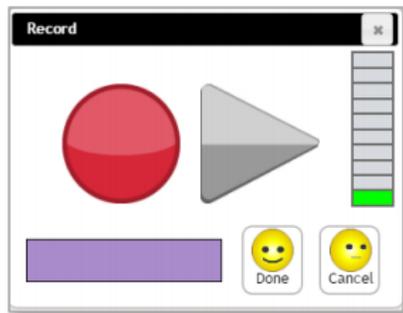

To edit and refine composed music.

To upload a sound from a bank of sounds.

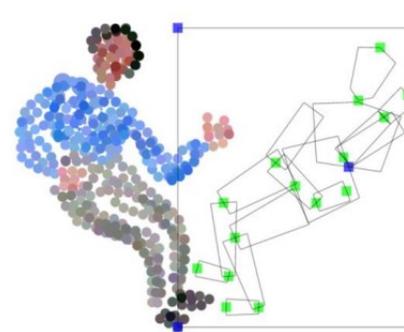

To record and upload environmental sounds into Purple Mash.

To learn the functions of the **2Paint** a Picture tool or other digital art software.

To learn about and recreate the work of famous artists.

To explore surrealism and eCollage .

# Key Vocabulary

Bpm	The number of beats played in a minute.
Composition	A creative work, especially a poem or piece of music.
Digitally	By means of digital or computer technology.
Palette	Within computer graphics, this is the range of colours or shapes available to the user.
Share	An instance of posting or reposting something on a social media website or application.
Sound Effects (Sfx)	A sound other than speech or music made artificially for use in a play, film, or piece of music.
Soundtrack	A recording of the musical accompaniment of a film.
Surrealism	Explored the subconscious areas of the mind. The artwork often made little sense as it was usually trying to depict a dream or random thoughts.
Template	Something that serves as a model for others to copy.
Tempo	The speed at which a passage of music is, or should be, played.
