

Mossfield Primary School Knowledge Organiser

Year 4 — **Animation**. Animation is the process of giving the illusion of movement to drawings, models, or inanimate objects.

Key Learning

To learn how animations are created by hand.

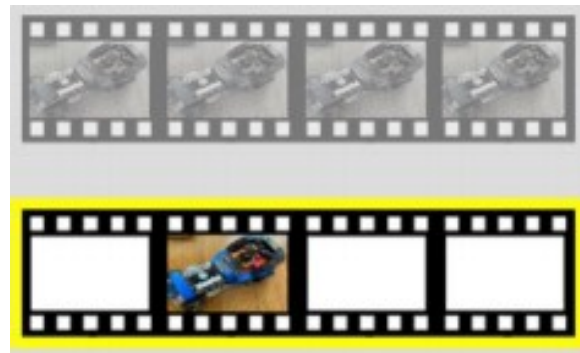

To learn about onion skinning in animation.

To add backgrounds and sounds to animations.

To be introduced to 'stop motion' animation.

To share animation on the class display board and by blogging.

Key Vocabulary

Animation	A process by which still pictures appear to move.
Background	A non-moving image that appears behind the animated images.
Flipbook	A book with pictures drawn in a way that makes them appear to move when the pages are flicked.
Frame	A single image in an animation.
Onion skinning	A process where the shadow image of the previous frame is present to help you line up the objects of the animation correctly.
Play	Press this button to make the animation start.
Sound	Music or oral effects that can be added to the animation.
Stop motion	A technique whereby the camera is repeatedly stopped and started, for example to give animated figures the impression of movement.
Video clip	A short piece of film or animation.
