Mossfield Primary School Knowledge Organiser

Year 5 —**Online Safety**. This refers to staying safe when having a presence online. We all have a responsibility to keep ourselves and others safe when online.

Key Learning

To gain a greater understanding of the impact that sharing digital content can have. 	To review sources of support when using technology and children's responsibility to one another in their online behaviour.	To know how to maintain secure passwords. 	To understand the advantages, disadvantages, permissions and purposes of altering an image digitally and the reasons for this. 
To be aware of appropriate and inappropriate text, photographs and videos and the impact of sharing these online. 	To search the Internet with a consideration for the reliability of the results of sources to check validity and understand the impact of incorrect information.	Ensuring reliability through using different methods of communication. 	To learn about how to reference sources in their work.
