

# Mossfield Primary School Knowledge Organiser

Year 6 — **Online Safety**. Although the Internet is a brilliant resource for learning and entertainment some people use the Internet to cause you harm. Being aware of these dangers can help keep you safe and protect your privacy.

## Key Learning

Identify secure sites by looking for privacy seals of approval.

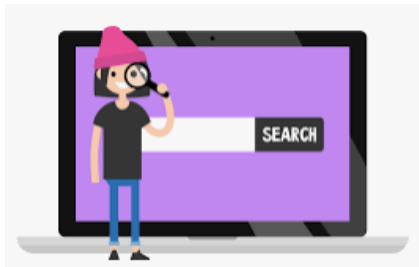

Identify the benefits and risks of giving personal information .

To review the meaning of a digital footprint.

Identify benefits and risks of mobile devices broadcasting the location of the user/ device.

To have a clear idea of appropriate online behaviour.

To begin to understand how information online can persist.

To understand the importance of balancing game and screen time with other parts of their lives.

To identify the positive and negative influences of technology on health and the environment.

# Key Vocabulary

Digital footprint	The information about a person that exists on the Internet as a result of their online activity.
Password	A string of characters that allow access to a computer system or service.
PEGI rating	A rating that shows what age a game is suitable for.
Phishing	The practice of sending emails pretending to be from reputable companies in order to persuade individuals to reveal personal information, such as passwords and credit cards numbers.
Screen time	Time spent using a device such as a computer, television, or games console.
Spoof website	A website that uses dishonest design to trick users into thinking that it represents the truth.
