

Mossfield Primary School Nursery Reading Spine - Core Texts and Songs

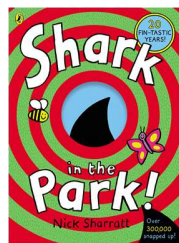

Over the year, the children will be exposed to a set of core texts that will expand their vocabulary, promote story telling and help create a passion for reading. Some of the books will be repeated throughout the year where children will eventually be able to read along with the adult. Some of the books are a focus text that will link to topics being taught and will have activities boxed on them in the continuous provision. We sing songs and Nursery rhymes everyday and will choose a focus song of the week where the children will have props to help them to sing along to in their play and chances to perform with instruments and movement.

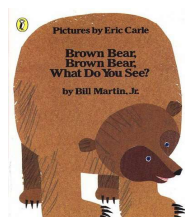

Nurseries Favourite 10

These books are placed in a basket so nursery staff can share these classic stories with the children during daily story sessions.

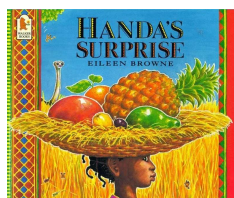

Shark in the Park
by Nick Sharratt
