Dear Parents and Carers,

I hope this message finds you well. I am writing to inform you that Year 1 will be moving classrooms. I will confirm the exact date closer to the time, but we expect the move to take place around **28th March**.

The current classroom has been a great space for the Autumn term, providing an ideal environment as the children settled into Year 1. However, with the Reception and Nursery children having continuous access to the outdoor area, the space has become a bit disruptive. Additionally, the children currently need to walk up to the Year 2 playground at both lunchtime and playtimes, which has led to some practical challenges.

I have spoken with the children about the move, and they are all very excited about the change.

If you have any questions or would like further information, please do not hesitate to reach out. Thank you for your ongoing support.

Mrs Plant, Headteacher
