MOSSFIELD

MESSENGER

Welcome!

Welcome to our weekly newspaper

At Mossfield Primary, we believe education is about more than reading, writing and maths. While these are important, we also want our children to explore, discover, try new things and create lasting memories.

That's why we have created our Passport of Adventure – a pledge that every child will have the opportunity of 100 memorable experiences during their time at Mossfield, beyond their usual classroom subjects.

From trips and new skills to meeting inspiring people, performing, being active and connecting with the world around them, we want every child to build confidence, broaden their horizons and enjoy a childhood full of adventure.

We don't just want our children to learn about the world – we want them to experience it.

Robinwood

Some of our Year 5 children are off to Robinwood for an action-packed residential weekend! Year 5 are given the exciting opportunity to spend time away from home, trying new activities, challenging themselves and making memories with their friends.

**We hope you have an amazing time, Year 5 –
enjoy every minute!**

About My Passport

This booklet is a collection of 100 school experiences I can have during my time at Mossfield Primary School.

Some will happen in the classroom, some will happen outside of school and some will challenge me to try something new!

There will be lots of different types of activities and, while some of these link to many different categories, we have tried to put them into groups with their primary focus.

Types of experience:
