

Operation Encompass

The school has been given the opportunity to take part in a project that will run jointly between schools and Greater Manchester Police. This is called Operation Encompass.

This means that if police are called out to a domestic abuse incident the school will be notified so that they can care for your child's needs the following day. Operation Encompass has been designed to provide early reporting to schools of any domestic abuse incidents that occur outside school but which might have an impact on a child attending school the following day. This information will be shared on school days during the school term. When incidents occur on a Friday, Saturday or a Sunday, the police will contact the relevant school the following Monday.

The Safeguarding Leads at school will be able to use this information, in confidence, to ensure that the school is able to support children and their families. Information will be shared where it is identified that a child or young person was present, witnessed or was involved in a domestic abuse incident.

We always endeavour to offer the best support possible to our pupils and believe that Operation Encompass is going to be beneficial and supportive for all concerned.
